MEMORANDUM FOR: Chief, Policy and Plans Group

FROM:

[REDACTED]
Deputy Director of Security (PTOS)

SUBJECT: Entries for the DDA Log
24 - 30 July 1980 (U)

1. On 25 and 30 July, a representative of the Office arranged security support for Agency officials testifying on Capitol Hill. The 25 July session involved testimony by the DDCI before the Defense Subcommittee of the Senate Appropriations Committee. The 30 July session involved testimony by Agency officials before the Subcommittee on Foreign Operations for the House Appropriations Committee. (U)

2. Three officers will be completing overseas survey trips within the next few days. The officer [REDACTED] has made a number of recommendations regarding this area but has advised that the residential security [REDACTED] appears to be sound. (S)

3. On 24 July, the Chief, Information Systems Security Group, briefed members of the Computer Security Subcommittee of SECOM on the trend by contractors toward multicompartmented computer processing (the simultaneous processing in one system of SCI data belonging to two or more Intelligence Community members). The purpose of the briefing was to alert the agencies to the security hazards of this type of processing if not properly controlled and to elicit the cooperation of the agencies in developing necessary procedures and policies to insure the security of this mode of processing. (U/AIUO)

4. The Chief, Safety Group, met with Mr. John Fleming, Manager, National Safety Council, Washington, D.C., to discuss available training packages, safety literature and other services which could assist the Agency in complying with the
